Ajay Ajmeru
CEO & FOUNDER

ABOUT 10 YEARS BACK WE STARTED AJMERA FASHION FROM A SMALL OFFICE IN SURAT. A DECADE HAS PASSED, BUT IT SEEMS AS IF IT WAS ONLY YESTERDAY.

THE PASSION WITH WHICH WE STARTED THE COMPANY IS STILL THE SAME TODAY OR MAYBE WE ARE EVEN MORE EXCITED TODAY BECAUSE OF THE EXTRAORDINARY OPPORTUNITIES WE CAN ENVISAGE IN THE FUTURE.

We are very glad and proud of the fact that in such a short span of time we have not only become Surat's leading textile manufacturer but we are also exporting garments to more than 30 countries across the globe. Today, Ajmera Fashion is recognized in India and abroad as an award winning textile manufacturer who is capable of providing Quality with Quantity along with the value for money. The full credit for this great achievement goes to our dedicated and self motivated team of employees who always believe in providing the best services to the customers in any circumstances. Perhaps this is the reason why we achieved reasonable growth using technology and other means even in odd circumstances like the Corona period.

The textile industry is the second largest employment generating industry in India after agriculture. Recently, the Government of India set an ambitious goal of achieving 100 billion dollars of textile exports in the next 5 years. We are confident that in the coming decade, Ajmera Fashion will create thousands of entrepreneurs and lakhs of job opportunities in the textile industry. Our biggest strength is the enterprising Indians coming from all over India. Today, more than 50,000 retailers and wholesalers have partnered with us for their clothing needs. Apart from this, we are grateful to more than 5000 women who believed in our business model and started saree business from the comfort of their home and today they have become a perfect example of women empowerment through social entrepreneurship.

We are certain that Ajmera Fashion will achieve phenomenal growth in the coming years while taking care of all its stakeholders and will further strengthen its position as a visionary company in the textile industry.

FASHION

AS A LEADING TEXTILE COMPANY, AJMERA FASHION HAS ALWAYS BEEN CONCERNED WITH THE BETTERMENT OF THE WHOLE TEXTILE ECOSYSTEM.

BEING A PART OF THE TEXTILE INDUSTRY FOR ALMOST THREE DECADES, OUR FOUNDER AJAY AJMERA WAS WELL AWARE OF THE PAIN POINTS OF RETAILERS. HIS INTENSE URGE TO IMPROVE THE CONDITION OF THE RETAILERS GAVE BIRTH TO AN IDEA THAT CHANGED EVERYTHING.

THE IDEA TO DIRECTLY DEAL WITH RETAILERS AND BY-PASS THE TRADERS AND WHOLESALERS IN THE SUPPLY CHAIN.

Ajmera Fashion became the first manufacturing house of Surat who started giving finished products to retailers and at the same rate as any wholesaler or trader would procure the goods.

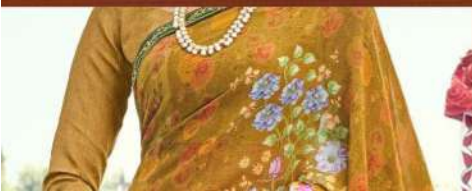

The idea, though opposed by many who's who of the textile industry, became a game changer.

Retailers from Kashmir to Kanyakumari, from the hinterland to the metro cities, started flocking to Ajmera Fashion. Gradually we became a preferred supplier to more than 50,000 retailers across the nation.

We are grateful to the respected retailers and assure them that all our endeavours are directed to further strengthen our relationship with them.

WOMEN EMPOWERMENT

THERE IS A CHINESE PROVERB, "GIVE A MAN A FISH, AND YOU FEED HIM FOR A DAY. TEACH A MAN TO FISH, AND YOU FEED HIM FOR A LIFETIME."

Our founder Mr. Ajay Ajmera has brought this proverb to life by promoting women entrepreneurship. He has helped more than 5000 women belonging to the underprivileged sections of the society to start their own business.

These women were first equipped with the know-how of doing Saree business and then Ajmera Fashion provided them with quality saree stock at a very subsidized rate.

The results were surprising, the women who were confined to the four walls proved that they can do anything if given an opportunity.

Many such women are now the primary breadwinners of their family and many who started the business from a small room now own a big saree showroom. The powerful impact of this initiative was also recognised by the government.

Ajay Ajmera's selfless efforts won him the prestigious, "The Champions of Change Award 2020", which was conferred by Shri Bhagat Singh Koshyari, the Governor of Maharashtra.

Mr. Ajmera is determined to take this movement forward and help even more women to believe in themselves and become self-reliant.
